5 QUESTIONS FOR BREAKTHROUGH IN YOUR CALLING

HAS GOD CALLED YOU TO SOMETHING GREAT?

A NOTE FROM LIAT & YANAI

Shalom from Israel!

God created us with this intrinsic drive to desire for our lives to be infused with purpose.

When we go through the motions every day without any vision or direction ... we can quickly grow discouraged, depressed and feel aimless.

God never intended for us to drift through life! He has called each of us to be co-labourers with Him and advance the kingdom of the Lord here on earth.

We were each gifted with special talents and abilities that pairs with the greater work God has called us to do.

How do we identify:

What God is calling us to do

How to take steps to get there

How to overcome opposition from the enemy

We pray this study guide will give you encouragement, clarity and propel you forward into the unique assignment God has on your life!

Blessings from Zion,

Liat & Yanai
